

RAILROADING MERIT BADGE

Donald Jennings

Mr Jennings is regional director for the mid-east region of the NMRA,

He has spent many years volunteering for various clubs and organizations to promote railroading interests. He is a 50 year scouter who has taught railroading merit badge for 30 years and has been awarded the Golden spike.

Boy Scouts will be required to;

1. Registered by deadline.
2. Arrive in Scout Uniform
3. Have READ the RR MB Booklet and have it with you on arrival.
4. Have RR MB Worksheets and/or paperwork for the badge filled out ahead of the event.

<http://meritbadge.org/wiki/index.php/Railroading>

This is for the Railroading Merit Badge Requirements.

<http://meritbadge.org/wiki/images/4/47/Railroading.pdf>

This is for the worksheets of the Railroading Merit Badge.

5. Bring a bag lunch.

Scouts having RR MB Worksheets filled out ahead of time for Questions:

1a, 1c, 1d: 2a, 2b: 3a: 5a, 5c, 5e: 8a1, 8a3:

will really help in obtaining the merit badge at Merit Badge College.

The other questions on the RR MB Worksheets may be answered (written in) in class.

Having the worksheets filled out ahead of time and before the event is the only way the counselors have to see if the scouts know the merit badge requirements and information in the booklet. All the answers are in the Railroading Merit Badge Booklet.

The RR MB Class will be for all Scouts. Members of the National Model Railroad Association and Railroading Merit Badge Counselors will be working with the Scouts. This class will be an all-day affair and that is why we suggest you bring a lunch. You will receive an e-mail confirmation from me once you have registered.

To preserve classroom integrity all Parents are politely invited to leave the room during instruction time.

A Scoutmaster / leader or two may stay.

Any questions please contact: RailroadsMB@aol.com

Mr. Donald Jennings – Railroading Merit Badge Counselor

Director Mid East Region / National Model Railroad Association

Liaison to the Boy Scouts for Railroading Merit Badge
